CHARTREUSE REINE DES LIQUEURS

2025 | Limited Edition of 1560 bottles

Reine des Liqueurs 2025 is a limited annual Chartreuse cuvée made from selected Yellow Chartreuse liqueurs with complementary aromatic profiles. The blend expresses the house's 130 plants, is bottled at 43% volume. ASSEMBLAGE: Selection and balance define this release within the Chartreuse range. The 2025 composition brings several Yellow Chartreuse components together in one limited bottling SUGGESTIONS: Serve at 12 to 13°C or over ice, as officially recommended. Use a small liqueur glass or tulip glass to concentrate the aromatic detail. Dark chocolate or firm alpine cheese can be placed alongside.

Tasting notes

Color

Golden yellow with bright clarity and luminous reflections.

Aroma

Complex herbal and aromatic plant notes.

Taste

Layered herbal character with measured spice.

Finish

Persistent herbal and aromatic finish.

CHARTREUSE Chartreuse traces its heritage to a manuscript given to the Carthusian order in 1605. The monks developed the formula over time, establishing a house defined by botanical knowledge and continuity. Today, two Carthusian monks safeguard the complete formula at Aiguenoire. Reine des Liqueurs belongs to this living tradition alongside the house's standard bottlings.
