

NIKKA YOICHI 10 JAHRE

Single Malt Japanese Whisky

Back in 2015, the Nikka distillery announced the discontinuation of the series of age statement whiskies, as stocks were too low to be produced, now only a few bottles available worldwide. A wonderful whisky, bold and peaty, made from 100% malted barley, aged in ex-Bourbon and Mizunara casks. 93 points in the Jim Murray Whisky Bible.
