

PARÉS BALTÀ^{COSMIC}

2023 Xarel·lo & Sauvignon Blanc | D.O Penedès

The unique weather conditions of 2022 contributed significantly to this wine's outcome. Extreme conditions led to the grapes' early ripening, altering the typical harvest sequence and contributing to the wines' distinctive freshness and lightness. Cosmic 2023 is a blend of 85% Xarel·lo and 15% Sauvignon Blanc cultivated using organic, biodynamic, and Demeter methods. This wine pairs with light, fresh dishes such as salads, rice, and fish. It is also excellent with sushi and mild cheeses, perfect for a relaxed meal or a refined pairing.
