

PARÉS BALTÀ ELECTIO

2022 Microcuvée | D.O Penedès

Electio 2022 is part of a collection of Microcuvée wines, an exclusive selection of organic, demeter and biodynamic wines produced in very limited quantities, only in the best years. Made exclusively from Xarel-lo grapes, a variety indigenous to the Penedès region. The grapes come from vineyards over 80 years old, located in areas with special soils and microclimates. After a light maceration of four hours, the grapes are gently pressed and then fermented in New and 2nd-year French Allier and Hungarian barrels for 18 days at an average temperature of 17 °C. After the fermentation, the wine matures in the same barrels for four months on the lees and with periodic battonage.

Tasting notes

Color

Clear yellow with light green hues.

Aroma

Intense aromas of very ripe fruit and flowers with a mineral undertone.

Taste

Delicate and complex. Rich with a silky texture coming from the battonage. Again loads of fruit and flowers, with woody hints.
