PARÉS BALTÀ GINESTA

2024 DO Penedès | Biodynamic White Wine

Parés Baltà Ginesta 2024 is a biodynamic Gewürztraminer from the Penedès, sourced from high-altitude vineyards that keep the wine fresh and fragrant. It is made for a clear floral profile, with bright lift and no oak influence. WINEMAKING: the grapes are hand harvested, gently pressed and fermented in stainless steel at cool temperature. The wine keeps the variety's aromatic character without adding weight from wood or skin extraction. FOOD PAIRING: serve at 8 to 10 °C with sushi, grilled white fish, shellfish, fresh goat cheese or vegetable dishes with herbs. Its dry citrus line also works well as an aperitif.

Tasting notes

Color

Pale straw yellow, clear and bright.

Aroma

Orange blossom, jasmine, candied citrus peel and fresh lime.

Taste

Fresh and aromatic, with gentle texture, bright acidity and clean citrus fruit.

Finish

Clean and mineral, with citrus peel and white floral lift.

PARÉS BALTÀ Parés Baltà is a family estate in Pacs del Penedès, with roots reaching back to 1790. The Cusiné family farms across several Penedès sites, using organic and biodynamic methods to keep each vineyard identity clear. María Elena Jiménez and Marta Casas lead the winemaking, with a cellar style based on restrained handling, native varieties and clean expression rather than heavy extraction or oak.
