

PODERE IL PALAZZINO ARGENINA

2019 Chianti Classico | Sangiovese

Argenina Chianti Classico is made from a handpicked selection of 100% organic, Sangiovese grapes grown in vineyards located 310-375 meters above sea level. These vineyards, aged between 15 and 30 years, yield exceptional fruit. The grapes are fermented in steel vats at low temperatures to retain intensity and aroma, then aged in small oak barrels or used barriques.

Tasting notes

Color

Dark ruby purple red

Taste

This wine has an expressive robust profile featuring intense black cherry, vanilla, cocoa and leather notes, complemented by well-balanced tannins and floral undertones. The warm, soft, mineral notes on the nose and palate enhance the overall flavour profile.
