

DOM PÉRIGNON 2013 VINTAGE

Champagne Brut AOC

The 2013 vintage displays harmony between pinot noirs and chardonnays, with an excellent balance of acidity, floral aromas and balanced bitterness. The bouquet is elegant and delicate, with three distinct notes of citrus, vegetal and spice. Dom Pérignon champagne is considered to be the epitome of luxury when it comes to champagne. Indeed, it is one of the most sought-after champagnes in the world. Its exclusivity lies in the fact that it is only produced during the best vintage years, making each bottle unique.
