

AARVER LIDO

Small Batch Swiss Gin

Four vibrant citrus fruits unveil the natural essence of a timely spirit. Aarver Lido is crafted with Swiss ingredients: Swiss pine from Engadin, Maggia pepper from Ticino, rosemary, basil, and blue St. Gallen potatoes. Complementing these are organic Italian botanicals, including Amalfi lemon, bergamot, blood orange, grapefruit, and juniper. Its striking blue hue comes naturally from the St. Gallen blue potatoes, making it the perfect summer drink. Pairing: Fever Tree Mediterranean Tonic works best with a few pineapple chunks as garnish.
