

KELT ARMAGNAC X.O

Tour du Monde | Bas Armagnac

This blend contains Armanacs from 1987 to 2004, further matured on a Tour du Monde for three months. During this time, the alcohol evaporates due to climate and temperature fluctuations, enhancing the spirit's flavour and encouraging more interaction with the wood, creating a one-of-a-kind product with each batch. Kelt Armagnac X.O is made from 100% Uni Blanc grapes, unchill-filtered and aged in new Limousine oak barrels.
