Tasting notes

Villa Zarri Brandy Italiano Villa Zarri dates back to 1578, three generations of the Zarri family has been distilling wine from Trebbiano grapes, grown in vineyards located on the hillsides of Tuscany and Romagna at 450 feet and 2100 feet above sea level. Villa Zarri Brandy is the result of excellent craftsmanship and scientific research. During the aging process, the brandy is transferred from newer barrels to older barrels to control the tannins and oxidation, which amplifies its bouquet and complexity, the alcohol content is slowly and carefully lowered for a perfect balance and outstanding flavor profile.
