

MS. BETTER'S BITTERS MIRACULOUS FOAMER

Vegan Egg White Alternative

A handcrafted vegan alternative to egg whites, made on the West Coast of Canada using organic botanical extracts. Each bottle of Ms. Better's Miraculous Foamer provides the equivalent of over 100 egg whites, delivering perfect texture and consistency for cocktails. The best part is that it won't alter the taste of the cocktail because it doesn't smell like eggs and is super easy to use. Step 1: Add a third of a dropper (approx 3ml or 10 drops) to your cocktail. Step 2: Add ice, hard shake and strain. The dilution is part of the activation process * Ms Betters Miraculous Foamer is a plant-based, allergen-free, and shelf-stable solution perfect for cocktails. It dissolves easily in water and is ideal for pre-batched drinks and nitro-tap systems. * Completely vegan, it contains no pea protein or aquafaba. * This foamer requires no refrigeration and has no expiration date. * With just one bottle, you can create more than 400 cocktails!
