

KELT COGNAC COMMODORE

Blenders Expediton

Kelt Commodore is a refined cognac crafted from a skilful blend of Grande Champagne VSOP, Napoleon, and XO Cognacs, all made from 100% Uni Blanc grapes from the prestigious 1er Cru De Cognac region. Aged in French Limousin oak barrels, Kelt Commodore undergoes a final maturation with a three-month "Tour du Monde" sea voyage inspired by an old-world ageing tradition. This method exposes the cognac to constant movement and temperature changes, causing evaporation and reducing the alcohol content while enhancing the flavour and deepening the interaction between the spirit and the wood. Kelt Commodore is Un-Chillfiltered and bottled in limited quantities.
