

DAVIDOFF GRAND CRU NO. 5

Dominican Republic | Mild-Medium

The Davidoff Grand Cru No. 5 is presented in a 5-cigar pack. This is the compact Petit Corona of the line and the fullest-bodied format in the Grand Cru series.

BLEND: Colour Colorado; Dominican Republic binder and filler. 10.2 cm length with a ring gauge 41, about 35 minutes smoking time. Its short format keeps the Grand Cru complexity focused, concentrating the refined wine-inspired character of the line.

The compact dimensions make the cigar useful when the moment calls for precision rather than length. **PAIRING:** The Grand Cru line is made for Bordeaux wine lovers. A Bordeaux with flavourful tannins, matured in oak barrels, matches the line beautifully; enjoy it with an aperitif riche or after a hearty lunch.

GRAND CRU Grand Cru is Davidoff's measured, wine-inspired Dominican line. It favours clarity over force: refined tobaccos, clean construction and a profile that develops through cedar, cream and roasted nut rather than heavy power.
