

DAVIDOFF ANIVERSARIO SHORT PERFECTO

Dominican Republic | Mild-Medium

The Davidoff Aniversario Short Perfecto is presented in a 4-cigar pack. The changing diameter is the point of the cigar: a rounded opening, a richer middle and a compact Short Perfecto shape that concentrates the Aniversario character. BLEND: Colour Colorado; Dominican Republic binder and filler. 12.4 cm length with a ring gauge 52, about 45 minutes smoking time. The Aniversario line is built around polished Dominican construction and a celebratory, medium-bodied house style. The compact dimensions make the cigar useful when the moment calls for precision rather than length. PAIRING: Aged rum, elegant Cognac or a soft sherried malt keep the creamy cedar profile open while leaving room for the pepper and nut tones.
