

DAVIDOFF ANIVERSARIO SPECIAL T

Dominican Republic | Mild-Medium

The Davidoff Aniversario Special T is presented in a 4-cigar pack. The Torpedo shape lets the smoker choose the cut and control the draw; smoked slowly, it builds in aroma and finishes with a discreet peppery edge. BLEND: Colour Colorado; Dominican Republic binder and filler. 15.2 cm length with a ring gauge 52, about 65 minutes smoking time. The Aniversario line is built around polished Dominican construction and a celebratory, medium-bodied house style. The shaped format changes the draw and keeps the progression more dynamic than a straight parejo. PAIRING: Cognac, Armagnac or a polished rum suit the celebratory character without making the cigar feel heavy.
