

DAVIDOFF ESCURIO GRAN TORO

Dominican Republic | Medium

The Davidoff Escurio Gran Toro is presented in a 4-cigar pack. It is the Brazilian-accented house line: rain-rich Bahia character, natural sweetness and a lively mix of salt, spice and darker aroma. BLEND: Colour Maduro; Brazilian binder and Brazilian-Dominican filler. 14 cm length with a ring gauge 58, about 65 minutes smoking time. The Gran Toro gives the Brazilian-Dominican Escurio blend more room, making the format broader and more rounded. The Toro size gives the blend more room and a steadier pace than the shorter formats. PAIRING: Aged rum or a spicy malt can echo the sweet-spicy rhythm without flattening the cigar.

ESCURIO Escurio brings Brazilian tobacco into Davidoff's precise house style. It is the more animated side of the range: sweet, spicy and rhythmic, while still keeping the clean construction expected from Oettinger Davidoff.
