

DAVIDOFF NICARAGUA TORO

Nicaragua | Medium-Full

The Davidoff Nicaragua Toro is presented in a 4-cigar pack. Shows the spicier side of the house, shaped by ten years of work with Nicaraguan tobacco to combine intensity, complexity and refinement. BLEND: Colour Maduro; Nicaragua binder and filler. 14 cm length with a ring gauge 54, about 70 minutes smoking time. The Habana Seed Nicaragua Rosado wrapper and Nicaraguan tobaccos define the line's firmer Black Band identity. The Toro size gives the blend more room and a steadier pace than the shorter formats. PAIRING: Aged rum is the natural pairing; spicy malt or Armagnac also suit the firmer tobacco.

NICARAGUA Nicaragua shows the spicier side of Davidoff. The line moves away from the creamy Dominican centre and brings more pepper, darker tobacco energy and a firmer profile with extra intensity.
