

DAVIDOFF ESCURIO GRAN PERFECTO

Brasil/Dominican Republic | Medium

The Davidoff Escurio Gran Perfecto is presented in a 3-cigar pack. It is the Brazilian-accented house line: rain-rich Bahia character, natural sweetness and a lively mix of salt, spice and darker aroma. BLEND: Colour Maduro; Brazilian binder and Brazilian-Dominican filler. 12.7 cm length with a ring gauge 61, about 55 minutes smoking time. Cubra and Brazilian Mata Fina shape the line, giving Escurio a more animated Brazilian-Dominican identity. The Gran Perfecto shape underlines Escurio's animated Brazilian character. PAIRING: Aged rum or a spicy malt can echo the sweet-spicy rhythm without flattening the cigar.
