

## DAVIDOFF PRIMEROS NICARAGUA

### Nicaragua | Medium

The Davidoff Primeros Nicaragua is presented in a 6-cigar pack. This brings the Nicaragua character into a short format, keeping the line's pepper and bittersweet intensity compact. BLEND: Colour Colorado; Nicaragua binder and filler. 10.5 cm length with a ring gauge 34, about 20 minutes smoking time. The short format gives the Nicaragua line a clearer, more concentrated expression than the Dominican Primeros. The six-cigar pack keeps a small, consistent option ready for brief moments at home, after a meal or when a full-size cigar would be too long. PAIRING: Espresso or aged rum can handle the pepper without overwhelming the size.
