

DAVIDOFF SIGNATURE TORO

Dominican Republic | Mild

The Davidoff Signature Toro is presented in a 4-cigar pack. Gives the mild Signature profile a larger 54-ring format, bringing more balance, complexity and presence.

BLEND: Colour Colorado; Dominican Republic binder and filler. 15.2 cm length with a ring gauge 54, about 70 minutes smoking time. San Vicente Visus tobacco gives the Toro a larger, more structured expression of the Signature line. The Toro size gives the blend more room and a steadier pace than the shorter formats. **PAIRING:** Lighter malt, Cognac, Armagnac or espresso keep the creamy structure open.
