

DAVIDOFF PREMIUM SELECTION 9

Mixed formats | 9s

Davidoff Premium Selection 9 brings nine of the house's most recognisable cigars into an elegant wooden box. It moves from creamy Signature classics through Aniversario, Millennium, Escurio, Nicaragua, Yamasa, Winston Churchill Original and Late Hour, giving the box the feel of a proper Davidoff journey. **CONTENTS:** Signature No.2, Signature 2000, Aniversario Entreacto, Millennium Piramides, Escurio Robusto, Nicaragua Toro, Yamasa Petit Churchill, Winston Churchill Original Collection Churchill and Winston Churchill The Late Hour Robusto. **PAIRING:** Begin with Cognac, Armagnac, aged rum or a balanced malt. The darker Nicaragua, Escurio and Late Hour cigars can take more oak, spice or sherry depth, while the Signature and Aniversario cigars deserve a softer serve.
