

DAVIDOFF PURO DOMINICANO PERFECTO

Dominican Republic | Medium-Full

The Davidoff Puro Dominicano Perfecto is presented in a 12-cigar pack. This is a 100% Dominican puro in a tapered Perfecto shape, made for a more dynamic evolution from first draw to finish. BLEND: Dominican Republic wrapper, binder and filler. 14 cm length with a ring gauge 50, about 65 minutes smoking time. The 100% Dominican puro construction gives the line a clear origin story, while the Perfecto shape changes the pace of the smoke. The Perfecto shape builds a more dynamic progression for the Dominican puro. PAIRING: Aged rum, Armagnac or malt whisky with polished oak match the warm Dominican structure.
