FEVER TREE GINGER ALE

Premium Mixer

Fever Tree Ginger Ale is made from a unique blend of three varieties of naturally sourced ginger, making it the perfect mixer for dark spirits such as whiskies, bourbons, and rums. • Cochin Indian Ginger, for a rich and earthy flavour. • Ivory Coast Ginger, for a fresh lemongrass flavour. • Nigerian ginger, which brings an intense flavour to the blend. These sodas are sold in 24-bottle packages.
