FEVER TREE GINGER BEER

Premium Mixer

Fever Tree Ginger Beer is crafted from a combination of three types of ginger: Cochin ginger from India, known for its rich and earthy flavour; fresh green ginger from the Ivory Coast; and Nigerian ginger, known for its intense aromas. This blend makes it ideal for mixing in cocktails. Fever Tree Ginger Beer is a refreshing, non-alcoholic drink, non-GMOs certified and free of artificial colouring or flavouring.

Tasting notes

Taste

Full bodied with intense flavors, spicy yet well balanced.
