

BLURRY MOON GIN

Organic Handcrafted in France

A premium small batch gin, handcrafted in France with the finest organic and natural ingredients. Distilled using traditional botanicals and non-filtered, which makes the gin change from crystal clear to cloudy white when water or a mixer is added. Blurry Moon gin is presented in a balloon-shaped bottle, making it the perfect addition to a gin bottle collection and an eye-catcher in any cocktail bar.

Tasting notes

Taste

Blurry Moon can be served chilled, neat, with cane syrup and ice or simply in a traditional "gin and tonic". Oysters go very well with a Blurry Moon on the rocks. The Distillery The Gimet Distillery has created exceptional eau de vie since 1929. From the outset, it has constantly been searching for singularity, quality, innovation and emotion. Today, we invite you to step inside the unsettling and mesmerizing universe of Blurry Moon. Discover the hidden face, lift the fog.
