

## **GLENFIDDICH** 30 YEARS OLD

### Suspended Time 2022 | Single Malt Whisky

Glenfiddich Suspended is the youngest from the Time Re: Imagined Collection, a series of 30, 40 and 50-year-old extraordinary single malt whiskies that capture a moment from the distillery's history. Glenfiddich's 30 Years Old Suspended in Time is presented in a case specially designed to evoke moving ribbons frozen in time, giving the illusion that the bottle is suspended in mid-air.
