Tasting notes

Taste

Remarkably complex and elegant. Soft and mild with the sweetness of ripe pears and vanilla complemented by oak and spices with a velvety and long-lasting finish. Glenfiddich Whisky Distillery Glenfiddich - Gaelic for Valley of the Deer - was born in the summer of 1886 when William Grant together with his seven sons and two daughters began to fulfil his lifelong dream, to produce the best whisky in the valley. Today the distillery is still run by the family and has preserved the innovative character of its founder inspired by passion and determination through five generations.
