

MOGIN LONDON DRY

100 % Organic Certified | Premium German Gin

The recipe was developed after years of searching for the perfect taste and balance plus a character that would become part of a long family tradition. MoGin has been developed by Monika Teriete who has added only the essentials in her creation. An unpretentious, surprising and authentic gin. MoGin has a strong juniper flavour enhanced with gentle floral notes of orange and lavender flowers. Ideally suited for crafty cocktails.
