

## GIN TERRAE CAMPI

### Premium London Dry

Inspired by Italy's nature. Campi is a small-batch, London Dry gin crafted with handpicked wild botanicals found in the Emilia-Romana plain region. Juniper, hay, tomato leaf, beetroot, coriander, and angelica intertwine to create a gin with a velvety texture and a hint of sweetness. Tonic Water Recommendation: Neutral or citrusy, slightly bitter to medium sweet. Gin Terrae Campi is part of a limited series; each label displays the batch and bottle number. This particular bottle was drawn in 2022 from Batch No.2. Only 4936 bottles were produced.

### **Tasting notes**

About G.C Spirits Terrae is an Italian craft gin that combines centuries-old traditions and modern production methods. Offering three different bottlings, each reflecting the essence of three Italian regions. Gin Onde: Cinque Terre, Gin Campi: Emilia-Romana and Gin Neve: The Dolomites.
