

GIN TERRAE ONDE

Premium London Dry

Terrae Onde is a one-of-a-kind gin that captures the essence of the Ligurian Coast. Its distinct profile is perfect for those who appreciate unique and bold flavours. With zesty and slightly salty notes, Terrae Onde is the ideal choice for a modern twist on classic cocktails such as Martini and Gin & Tonic. Made with handpicked wild botanicals found in the Cinque Terre region. Juniper, Seaweed, Helichrysum, Thyme, Santolina, Lemon, Maritime Pine, and Angelica root, all meticulously harvested at their aromatic peak. The producer dives into the sea to pick up the seaweed himself. Tonic Water Recommendation: Neutral, not too bitter, sweet or aromatic. Gin Terrae Onde is part of a limited series; each label displays the batch and bottle number. This particular bottle was drawn in 2022 from Batch No.3. Only 4973 bottles were produced.
