NORDÉS

Atlantic Galician Gin

Vibrant and Floral. Composed of twelve unique botanicals from every corner of Galicia, selected for their purity and aromas. Albariño Grapes, Sage, bay leaf, cardamom, quinine, ginger, hibiscus, glasswort, and black Ceylon tea, among others, give this gin its character and smoothness.

Tasting notes

Color

Clear

Aroma

Fresh, citrusy and herbal

Taste

Crisp, subtle and well balanced, with notes of white fruit. Best enjoyed with tonic or sparkling water, lots of ice and 3 white grapes as garnishing. The grapes reinforce the nuances of the albariño wine distillate that is present in the gin and defines an ideal mixed drink to be enjoyed in good company.

Finish

Fresh and fruity with a touch of laurel and juniper.
