NOLET'S DRY GIN SILVER

Made from a unique combination of botanicals including Turkish rose, peach and raspberry, which are macerated individually in order to give this gin its distinctive aromatic flavor profile. Medium bodied with notes of roses, fresh peach and raspberries

Tasting notes

Nolet's Distillery The Nolet's Distillery was founded in 1691 by Joannes Nolet in the town of Schiedam, Holland. Today, eleven generations later the Nolet's family continue perfecting the craft of distilling spirits and passing down their knowledge from generation to generation.
