The Vintage 2011 Winter Edition is a special release by Porfidio, presented in an elegant Kutani Porcelain decanter. The Juniper Tree Gin 2011 is an extra añejo gin that combines agave spirit, fermented fresh berries, and a bouquet of desert flowers. Agave, Tuna Cactus, and Pitaya Cactus blossoms are blended with agave stem juice and matured for five years in Castanea Sativa casks. This gin proudly bears its unfiltered nature, preserving its rich character and natural essence.
