SUNTORY ROKU GIN

Six Japanese Botanicals

An award-winning gin made with six Japanese botanicals, each cultivated over four seasons, harvested at the peak of its season to obtain the best flavour. The botanicals include Sakura flower, Sakura leaf, Yuzu peel, Sencha tea (green tea), Gyokuro tea (refined green tea) and Sansho pepper.

Tasting notes

Taste

Multifaceted with classic gin notes and Far Eastern nuances, with yuzu fruit and cherry blossom as the primary flavour.
