Wessex Distillery Gin Wessex Distillery is a family-run, local craft gin distillery based in the heart of Surrey Hills. The multi-award-winning distillery specialises in producing premium gins, using botanicals sourced from the beautiful English countryside. They explore the different flavours of fruits, berries and plants known to be available in Wessex in the Middle Ages to incorporate them into their creations. Their flavours speak for themselves & their bottlings are stunning inside and out! The original shape was inspired by ancient potion bottles. The coin that hangs around the neck of the bottle is a replica of an Alfred the Great coin, of which the Distillery possesses one of three remaining. Interestingly this was the first coin to have a monarch's face presented on it. The Wessex logo is a Wyvern which is the symbol of Wessex and it wraps around the iconic Wessex Gin goblet.
