

HIGHLAND PARK 12 YEAR OLD

Single Malt Whisky | Viking Honour

Highland Park 12 Years Old Single Malt is rich and well-balanced, with intense notes of malt, fruit and peat. Until today the distillery still malt its own barley, using the peat from the trees that grow in this land cradled by the sea winds, giving the Highland Park whisky its unique smoky flavor.

Highland Park Distillery Highland Park Distillery was founded in 1798, making it the sixth oldest distillery in Scotland. Located on the Orkney Islands off the northern tip of Scotland. Although the remote Orkney Islands are at the same latitude as Stockholm, the climate is not so harsh. The thermometer rarely drops below zero and reaches 20°C in summer, an ideal climate for the production of whisky.
