

CAMPARI CASK TALES

Finished in Wild Turkey Bourbon Barrels

Campari Cask Tales commemorates over 150 years of the legacy of Davide Campari with a unique expression of the Classic Campari finished in Wild Turkey Bourbon Barrel. This bottling was created by Herbalist and Master Blender Bruno Malavasi, who experimented with casks from multiple sources, resulting in a smoother, fruitier, and less bitter flavour profile.

Tasting notes

Taste

Oaky with bitter herbal notes and a slightly smoky aftertaste.
