CHARTREUSE LE GÉNEPI

Herbal Liqueur

Génépi des Pères Chartreux is a traditional digestive liqueur, made from natural ingredients sourced from the Alps. The Carthusian monks have been using a secret recipe dating back to the 16th century to patiently elaborate and perfect the liqueur with several macerations and meticulous distillation to achieve the desired aromatic profile.

Tasting notes

Aroma

Herbal notes of angelica, pine, lime marmalade, peppermint, aniseed and cocoa.

Taste

The palate is dry, herbal and powerful.
