ITALICUS ROSOLIO DI BERGAMOTTO

Bergamot Liquor

The fresh, citrusy and slightly bitter liqueur is based on an old recipe from the 18th century. Made from fresh Bergamotte and Sicilian cedar from the Calabria region and Italian botanicals such as chamomile, lavender, gentian, and yellow roses. The bottle's design is a tribute to the crystal-clear waters of the Grotta Azzurra in Capri, where Gallo, the creator of this liquor, spent his childhood years. The award-winning Stranger & Stranger agency is behind the bottle's stunning design. Serve with Prosecco or over ice as an aperitif or as a mixer in a cocktail.
