

MARIA PASCUALA BLANCO

Tequila | 100% Organic Blue Agave

Maria Pascuala Tequila is a true testament to Mexican authenticity. Made from agave plants that have reached 8 - 10 years of maturity and are cooked in natural stone ovens. The juice obtained goes through a steaming extraction and distillation, exclusive to the region. The bottles are hand-blown and numbered by local artisans using recycled glass. Crystal clear 100% organic blue agave tequila handcrafted and bottled by artisans in the highlands of Jalisco

Tasting notes

Color

Crystal clear

Aroma

The nose is dominated by aromas of fruit and nutmeg

Taste

A very complex tequila, with notes of citrus and almonds reflecting the raw agave texture.

Finish

A pure delight and a very long lasting finish of dried fruits and agaves.

About Maria Pascuala Tequila Inspired by an XVIII Century Mexican woman named "Pascuala de Nava", who represents female strength and mysticism in early Mexican tradition. Maria Pascuala Tequila's taste has been crafted to reflect the values that underlie the brand: delicacy, sophistication, and tradition. Manufactured with an emphasis on environmentally conscious production methods that result in the absolute minimal waste of natural resources.
