

MEZCAL SENTIR CERRUDO

100% Agave Cerrudo | Limited Edition 2022

Cerrudo is a rare wild agave closely related to Agave Arroqueno, Sierra Negra and Coyote. Mezcal Sentir Cerrudo is made with agave that has grown up to 25 years with a weight of over 500 kg. Imagine the amount of work needed to find, harvest, transport these in the mountains and then produce the Mezcal. An absolute masterpiece! It is so rare that it is only produced and sold in Hand painted by local artists in limited edition bottles. Each bottle is unique, and we only receive very few bottles yearly.
