

FLUÈRE PINK

Raspberry Blend | Non-Alcoholic Distilled Spirit

FLUÈRE Pink Raspberry Blend is a distilled non-alcoholic spirit composed of botanicals, spices and fruits individually distilled through 'hydro steam distillation'. During the process, the steam gently opens up the botanicals and break down cell walls to release aroma and flavours at a very low ABV. Each botanical is distilled separately and blended by master blenders in the Netherlands. Enjoy FLUÈRE Pink Raspberry Blend with soft tonic water, champagne or even kombucha.
