

FLUÈRE AMBER

Spiced Cane Dark Roast | Non-Alcoholic Distilled Spirit

FLUÈRE Amber Spiced cane is a distilled non-alcoholic spirit composed of botanicals, spices and fruits individually distilled through 'hydro steam distillation'. During the process, the steam gently opens up the botanicals and break down cell walls to release aroma and flavours at a very low ABV. Each botanical is distilled separately and blended by master blenders in the Netherlands. Enjoy FLUÈRE Spiced cane mixed with Cola, ice or even a few drops of bitters, orange peel & maple syrup to make an old-fashioned.

Tasting notes

Aroma

Intense notes of chocolate and coffee.

Taste

Velvety and rich. Dominican sugar cane blends with delicate hints of tonka bean and spice to create a luxurious liquid.
