

SAPINCA[®] ORGANIC HERB

Elixir | Alcohol Free

Sapinca Herb is an alcohol-free botanical elixir for aperitif-style serves, long drinks and low-intervention bar menus. It gives herbal freshness without alcohol.

PRODUCTION: the profile is based on organic botanicals, citrus lift and spice rather than sugar-heavy sweetness. It is made as a concentrate, so dilution and garnish shape the final serve. **SERVING:** mix with still/sparkling water or tonic over ice, add citrus and fresh herbs, or use in alcohol-free spritz and highball serves. It can also be used in cocktails with alcohol.

Tasting notes

Color

Clear herbal concentrate with a natural golden tint.

Aroma

Fresh garden herbs, citrus peel, ginger and gentle spice.

Taste

Bright and herbal, with citrus freshness and a clean bitter edge.

Finish

Fresh and gently spicy with lingering herbal lift.

SAPINCA Sapinca is an alcohol-free organic botanical concentrate with no added sugars. The range is designed for serves with depth, freshness and a clear herbal profile that whole families can enjoy. It can also be mixed for cocktails with alcohol.
