

CARONI 1998 / 22 YEARS OLD

Tortuga No.1 | Single Cask # 2286

Tortuga No.1 Cask No.2286 is an exceptional addition to any rum collection. This limited edition, single-cask rum is produced by Independent Bottler Precious Liquors. The Tortuga Series celebrates the now-closed Caroni Distillery and collaborates with The Sea Turtle Conservancy, the oldest global conservation group, to combat sea turtle extinction. The Conservancy runs international programs focused on research, education, advocacy, and habitat protection to preserve sea turtle populations. The Caroni Tortuga Series is more than just a rum. It is a way to raise awareness and enable consumers to support this cause. Each bottle has a QR code to track a school of turtles sponsored by each purchase. Only 230 bottles are available worldwide.
