

CARONI 1998 / 23 YEARS OLD

C.Dully | 2021 Bottling

This exceptional rum has been meticulously hand-selected from Christian Dully stocks. Its journey began in 1998, marking over two decades of maturation and refinement, then bottled in Scotland in 2021. • A Testament to Strength and Purity Bottled at a formidable cask strength of 54.2%, this rum retains its natural colour. It is non-chill filtered, preserving the full spectrum of its rich flavours and robust character. The cask type is a vatting of barrels, expertly curated to create a harmonious, complex, and delightfully sweet blend. • A Tribute to the Caroni Legacy Since the Caroni distillery closed its doors 19 years ago, casks have become increasingly scarce and highly sought-after. This limited edition rum is a testament to the distillery's enduring legacy, offering a rare opportunity to experience its distinctive and celebrated flavours.
