

EL DORADO ALBION 2004

14 YO Demerara Rum | 2018 Release

El Dorado Albion is a limited edition rum distilled in 2004 in a Continuous Coffey Still, matured in Ex-Bourbon barrels and bottled in 2018 at a cask strength of 60.1%. This bottling bears the Mark: AN, which stands for ALBION, a ghost distillery that closed its doors in 1968, so the mark refers to the style of rum rather than the place of origin.
