

HAVANA CLUB_{TRIBUTO}

Cuban Rum | 2019 Release

Havana Club Tributo 2019 is the fourth edition in the prestigious Iconica Collection, crafted by three generations of Maestros del Ron Cubano: Don José Navarro, Asbel Morales, and Salomé Alemán. Each Maestro selected a rare molasses rum from the 1970s, 1990s, and 2010s, one of which was aged in a Cognac cask, then blended with a 25-year-old rum aged in French oak barrels. This limited edition consists of 2,500 bottles and was launched at the Habanos Festival in February 2019. It is presented in an off-white wooden box edged with vibrant orange hues—echoing the amber glow of the rum within—and personalised with the Master's signatures.
