APPLETON ESTATE 21 YEARS OLD

Jamaican Rum | Nassau Valley Cask

Appleton 21 is composed of an exquisite blend that features a selection of both pot and column still rums, each chosen for its exceptional character. These rums have been aged for a minimum of 21 years in American oak casks, allowing them to develop deep, complex flavours under the influence of Jamaica's warm, tropical climate in the lush Nassau Valley. The result is a rich and refined spirit that embodies the essence of time-honored craftsmanship and the vibrant heritage of Jamaican rum.

Tasting notes

Taste

Its floral scent quickly evolves into a nutty bouquet with notes of vanilla, orange peel, nutmeg, warm coffee and cocoa.
