

## MOUNT GAY SILVER

### Barbados Rum | 1L Bottle

Mount Gay Silver is a blend of column-distilled and copper pot-still rums, aged for 2 years in American whiskey casks, then filtered to preserve its clear appearance and refined taste suitable for both sipping and cocktails. Serving Suggestions - As a neat sip over large ice to appreciate its flavour and texture. - With a splash of water or soda to lift the citrus-floral notes. - In citrus-forward cocktails, like Daiquiris or Mojitos.
